

***Kids, Cops, and Community, Working
Together for a Brighter Tomorrow.***

Dear Community Partner/Sponsor,

The Millville Police Athletic League (**PAL**) is on track for a great year! As with most everything as we knew it, PAL was forced to take a step back and allow for the safety of our officers, youth, and community to be the priority. We are aware the services PAL provides to the community were missed and our youth are anxious and excited for the kickoff of many of the PAL spring and fall activities. Millville Officers and the PAL Board Trustees used the last year to plan and brainstorm new opportunities which will benefit and strengthen our presence within the city. We need your support more than ever! The **PAL** program is sponsoring its **5th Annual Golf Outing on Wednesday, August 25**. Please know we appreciate all your past support. In fact, we would not be where we are today without you!

Our city's PAL program serves Millville youth with recreational, educational, and youth development and enrichment programming. PAL programs work toward preventing juvenile crime by building lasting bonds between city police and community youth. Activities such as open gym nights, swimming, basketball, flag football, wrestling, recreational outings, and fishing are instrumental in building positive relationships between our residents, their children, and law enforcement. With the assistance of police officers and volunteer community members, PAL facilitates weekly structured and supervised activities in a safe and secure environment, while deterring juvenile delinquency and violence in our city. Our collaborative programs are designed to encourage and develop good citizenship and allow each child to realize their full potential as a productive and important member of society. It is most rewarding work!

During the past year the PAL Board of Trustees and volunteers have grown to meet the demands of children who wish to join Millville PAL. Program activities are planned to meet the needs of children including transportation so all families can participate. PAL relies mostly on local donations and several small fund-raising activities. The PAL Board has worked diligently to secure additional funding and partnership opportunities such as the Millville Public Schools, City of Millville, Cumberland County Prosecutors office, Cumberland County Sheriff's office, and Millville Municipal Alliance to assist in providing sponsorships and grant opportunities. However, we need further support from our community and local businesses. 100% of proceeds from donations received are used to provide services to youth.

To assist in meeting the demands of the program, we are reaching out to our local business community for support. Please check PAL activities on Facebook and Twitter @MillvillePAL. Your interest and support in our mission builds a strong, safe, and positive community for all.

The PAL golf outing is the only large-scale fundraising activity of the year! Please consider joining us for a **round of golf**, becoming a **Sponsor**, or simply provide a **gift certificate** or **auction item** for donation. We appreciate your willingness to help our cause! Please visit the PAL website at www.millvillepal.com for complete information and registration.

Thanks again for your support!

Millville Police Athletic League Golf Committee Members and Board of Trustees.
